Answer (Result)

Date

Approximate value:

Import:	Amount DKK	Eksport:	Amount DKK
Registration tax of the vehicle calculated from the approximate value		Fee	180
Trade price		Refund of registration tax calculated from the approximate value	
If necessary a charge of DDK 610 for cars, wich do not fulfil special rules for exhaust (normally catalyst)		-15 per cent reduction	
		Amount of refund	

Be aware that the final registration tax can be changed, when the taxable value is fixed.

There will be no refund of amount less than DKK 4000 for motorcycles, vans, taxi's etc, and amount of less than DKK 7500 for personal cars, motorhomes and buses.

In relation to a complaint the vehicle shall be presented to the appraisal. The amount of refund can not exceed the registration tax, which were paid earlier, less a reduction of 15 per cent.
